

No Limit Landscaping is an established independent landscape construction and design company known for its excellent customer service and quality of work. Being one of the numerous landscaping companies, our ambition and customer service is what distinguishes us from the rest.

We are based out of Vancouver and service across Metro-Vancouver. Employment is full-time, based in residential installation/construction (hardscape) and is year-round.

---

### **Landscape Construction Labourer**

The successful candidate

- Loves the outdoors, regardless of weather
- Enjoys working with their hands
- Ability to work independently as well as with a team
- Good observation and problem-solving skills
- Takes pride in a job well done
- Ability to work under pressure
- Attention to detail

### **Job Description**

- Construction of a wide variety of landscape structures such as water features, retaining walls, fences, paths, etc.
- Work closely with Lead-Hand and Foreperson to ensure project is completed in a timely manner
- Operate various tools and equipment, including cut-off saws, shovels, jackhammers, heavy equipment, drills, etc.
- Maintain cleanliness of both job sites and equipment
- Moving and transporting of building materials using hands, shovels, wheelbarrows, carts, machines, etc.
- Assist with site preparation and clean-up
- Wear appropriate personal protective equipment at all times

- Perform maintenance on tools and equipment by conducting inspections, cleaning and lubricating on a daily basis

### **Essential Skills and Requirements**

- Owning your own vehicle is a huge asset and preferred but not required (We service all of Metro-Vancouver and employees are required to get themselves to site)
- Valid driver's license with clean driver's abstract – occasional operation of company truck
- Fluent in English
- Some experience in landscape construction (hardscape)
- Must be able to perform heavy lifting and strenuous activity
- Calculating proper quantities for material required for daily tasks
- Steel-toed boots
- Capable of taking direction and engage in two-way communication with supervisor

### **Assets**

- Having access to your own vehicle
- Experience in operating truck with trailer attached

### **Compensation**

- \$18-\$25/hour dependent upon skills & experience with landscape construction (Paving stones, installing retaining walls and water features etc.)
- Quarterly profit sharing after 3 months probationary period
- Extended health, dental and optical benefits after 3 months probationary period
- Red Seal apprenticeship training opportunities
- Mileage subsidy
